PROFESSIONAL EXPERIENCE

- 2022 - present **Visiting Assistant Professor, Skidmore College**
Department of Psychology
- 2018 - 2022 **Assistant Professor, Yeshiva University**
Stern College for Women
Department of Psychology
- 2016 - 2018 **Postdoctoral Associate, Yale University**
PIs: Yarrow Dunham, Karen Wynn, Laurie Santos

EDUCATION

- 2016 **Ph.D., Psychology, New York University**
Emphasis in Cognition & Perception
Developmental Concentration
Advisor: Marjorie Rhodes
- 2014 **M.A., Psychology, New York University**
Advisor: Marjorie Rhodes
- 2009 **B.A., Psychology, Rutgers University**
Summa Cum Laude

RESEARCH INTERESTS

Social cognitive development; moral cognition; social categorization; psychological essentialism; cultural input; intergroup cognition; religious cognition

RESEARCH FUNDING

- 2023 Skidmore College Faculty Student Summer Research Grant
“The default boundaries of children’s moral circles”
Role: PI, \$7,750
- 2020-2022 Momentum Scholars Award, Center for the Science of Moral Understanding
“Expanding the Moral Circle in Early Childhood”
Role: PI, \$85,200

HONORS AND AWARDS

- 2020 Dean Karen Bacon Junior Faculty Award (\$1,000)
- 2018 Postdoctoral Scholars Travel Fund Award, Yale University (\$750)
- 2015 Martin Braine Fellowship, New York University (\$1,500)
- 2015 Dean’s Student Travel Grant, New York University (\$500)
- 2011-2016 MacCracken Fellowship, New York University (\$362,200)

Working Papers

Chalik, L. (in prep, invited submission). Intuitive theories of the social world in children's everyday experiences.

Chalik, L., & Dunham, Y. (in prep). Abstract beliefs and real-world experience in children's expectations of intergroup behavior.

Wagge, J., Lazarevic, L., ... **Chalik, L., ...** et al. (in prep). Collaborative registered replication of Griskevicius et al. (2010): Can pro-environmental behavior be promoted by inducing status competition?

CONFERENCE PRESENTATIONS

Chalik, L., & Retter, R. (2021, June). Children view proscriptive morality as more obligatory than prescriptive morality. Talk presented at the annual meeting of the Society for Philosophy and Psychology (Virtual).

Chalik, L. (2021, April). Moral behavior within and across social groups. In J. Dunlea (Chair), *The role of social relationships in shaping children's socio-moral reasoning*. Symposium conducted at the biennial meeting of the Society for Research in Child Development (Virtual).

Chalik, L. (2021, April). Using explanations to intervene upon children's social category-based expectations. In A. Misch (Chair), *The effect of information in the intergroup context on children's attitudes, behavior, and self-efficacy*. Symposium conducted at the biennial meeting of the Society for Research in Child Development (Virtual).

Chalik, L., Over, H., & Dunham, Y. (2020, January). Intergroup bias and information seeking in early childhood. Poster presented at the Budapest CEU Conference on Cognitive Development, Budapest, Hungary.

Ahl, R., Cook, E., **Chalik, L., & McAuliffe, K.** (2019, October). Children hold intuitive economic theories that align with formal economic principles. Poster presented at the biennial meeting of the Cognitive Development Society, Louisville, KY.

Chalik, L., Over, H., Finkelstein, S., & Dunham, Y. (2019, July). *Intergroup bias and information seeking in early childhood*. Talk presented at the annual meeting of the Society for Philosophy and Psychology, San Diego, CA.

Ahl, R., Cook, E., **Chalik, L., & McAuliffe, K.** (2019, June). Children hold intuitive economic theories that align with formal economic principles. Talk presented at the annual meeting of the Human Behavior and Evolution Society, Boston, MA.

Chalik, L., & Dunham, Y. (2019, March). Beliefs about moral obligation structure children's social category-based expectations. In R. Lei (Chair), *How do social groups guide children's sociomoral reasoning?* Symposium conducted at the biennial meeting of the Society for Research in Child Development, Baltimore, MD.

- Chalik, L.,** Van Bavel, J., & Rhodes, M. (2018, July). *The cognitive processes underlying moral judgment across development*. Poster presented at the annual meeting of the Cognitive Science Society, Madison, WI.
- Chalik, L.,** & Wynn, K. (2018, July). How ingroup positivity and outgroup negativity differentially motivate social behavior in infancy. In R. Baillargeon (Chair), *Infants' and Toddlers' Evaluations of Others' Moral Characters*. Symposium conducted at the biennial meeting of the International Congress of Infant Studies, Philadelphia, PA.
- Chalik, L.,** Dunham, Y., & Rhodes, M. (2018, May). The role of moral learning in the development of intergroup cognition. In L. Hackel (Chair), *How learning gives rise to morality*. Symposium conducted at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- Chalik, L.,** Dunham, Y., & Rhodes, M. (2018, March). The role of moral learning in the development of intergroup cognition. In L. Hackel (Chair), *How learning gives rise to morality*. Symposium conducted at the annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.
- Chalik, L.,** & Rhodes, M. (2017, April). Do preschoolers learn from evidence about intergroup behaviors? In J. Sierksma (Chair), *Children's intergroup prosociality: How reputation, stereotypes, conformity, and learning shape behavior*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.
- Rhodes, M., & **Chalik, L.** (2017, April). Parental language subtly communicates that different moral standards govern inter-group and intra-group interactions. In J. Rottman (Chair), *Words can hurt: Dangers of testimony in leading children to negatively evaluate others*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Austin, TX.
- Chalik, L.,** Van Bavel, J., & Rhodes, M. (2016, June). An examination of the cognitive processes underlying moral judgments across the lifespan. Talk presented at the annual meeting of the Society for Philosophy and Psychology, Austin, TX.
- Chalik, L.** & Rhodes, M. (2015, March). How preschool-age children use social categories to predict social behavior. In Y. Dunham (Chair), *All for one and one for all: Consequences of group membership in young children*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.
- Leslie, S.J., Rhodes, M., ⁺Bianchi, L., & **Chalik, L.** (2015). The cultural origins of social categorization. In K. Lagattuta (Chair), *When do social categories stick? Exploring the effects of language, race, and criminality on children's social categorization*. Symposium

conducted at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.

Chalik, L. & Rhodes, M. (2015, February). How social categories shape children's moral inferences. In C. Tworek (Chair), *The ethicist in the crib: Evolutionary, sociocultural, and cognitive influences on the developmental emergence of norms*. Symposium conducted at the annual meeting of the Society for Personality and Social Psychology, Long Beach, CA.

Chalik, L., Rhodes, M., & Leslie, S.J. (2013, October). *Culture and the development of social essentialism: How children reason about religious categories*. Poster presented at the biennial meeting of the Cognitive Development Society, Memphis, TN.

Chalik, L. & Rhodes, M. (2013, April). Social groups as markers of moral obligation in parent-child conversation. In N. Chernyak (Chair), *Bridging moral and cognitive development: How cognitive and social understanding informs morality in early childhood*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Seattle, WA.

INVITED TALKS

Psychology Colloquium, Colby College, March 2024

Scholars Talk Series, Center for the Science of Moral Understanding, March 2021

Graduate Research in Developmental Science Group, November 2019

Heiphetz Lab Meeting, Columbia University, July 2019

Moral Mind, Brain, and Behavior Series, SUNY Albany, April 2018

Current Work in Cognitive Development Series, Yale University, September 2016

Boston Area Moral Cognition Group, Boston, MA, February 2014

TEACHING (Selected teaching materials available at <http://osf.io/b5q94>)

Courses at Skidmore College

Cognition

Moral Psychology

Development of Intergroup Cognition

Courses at Stern College

Introductory Psychology

Experimental Psychology (Research Methods) with Lab

Cognitive and Social Development of the Child

Seminar in Moral Psychology

Seminar in the Development of Intergroup Cognition

Courses at NYU

Introduction to Psychology

Developmental Psychology (Teaching Assistant)

Teaching in Psychology (Teaching Assistant)

MENTORING

Undergraduate students at Skidmore College: Gabby Modesti (summer research grant winner)

Undergraduate honors students at Yeshiva University: Sarah Finkelstein (current PsyD student), Shira Levy (current PsyD student), Nina Miller (MA in education), Michal Yacker (current PhD student in School Psychology), Rebecca Lipsky (current PsyD student), Rachel Retter (current PsyD student), Tzipora Topp (current PsyD student), Abigail Rochlin, Hannah Zar (current PsyD student), Shoshana Reichman (current PsyD student)

Undergraduate students at Yale: Mary Taylor Goeltz (current PhD student in Health Psychology), Sarah Mochkin (MA in education), Kiarra Alleyne, Katharine Morris

Undergraduate honors students at NYU: Lydia Bianchi (NYU thesis award winner), Cyrielle Rivera (NYU thesis award winner), Max Stivers (Dean's Undergraduate Research Fund award winner), Anna Chen, Elyana Feldman (Dean's Undergraduate Research Fund award winner)

Other mentoring activities: Mentored one high-school student for the Regeneron Science Talent Search (2021-2023)

PROFESSIONAL SERVICE

Editorial Board member: *Journal of Experimental Child Psychology* (2022 – present)

Ad-hoc reviewer: *Child Development, Journal of Cognition and Development, Quarterly Journal of Experimental Psychology, Cognition, Journal of Experimental Child Psychology, Child Development Perspectives, Cognitive Development, Developmental Psychology, Journal of Adolescence, Frontiers in Psychology, Cognitive Science, Perspectives on Psychological Science, Emotion, British Journal of Developmental Psychology, Nature Human Behavior, PLOS One, Developmental Science, Journal of Experimental Social Psychology, Journal of Experimental Psychology: Human Perception and Performance, Nature Communications, Social Development, Memory and Cognition, Infant and Child Development, Proceedings of the National Academy of Sciences, Acta Psychologica, Open Mind: Discoveries in Cognitive Science, Journal of Research on Adolescence, Current Psychology*

Guest editor: *Acta Psychologica* (Special Issue on the Development of Intergroup Bias)

Conference submission reviewer: Society of Philosophy and Psychology (2016), Society for Research in Child Development (2019), Society of Philosophy and Psychology (2019), Cognitive Development Society (2022), Society for Research in Child Development (2023)

Grant reviewer: Israel Science Foundation

Participant in Knology workshop on moral motives (January-March, 2022)

AFFILIATIONS

Society for Research in Child Development
Cognitive Development Society
Society for Personality and Social Psychology
Society for Philosophy and Psychology
Association for Psychological Science

COMMUNITY ENGAGEMENT

Speaker at Yeshiva University Celebration of University Authors on the topic of “Disparities and challenges in modern society: Children and moral behavior,” Spring 2019
Speaker at Yeshiva University pre-Passover program on the topic of “Psychological insights into teaching religious concepts to children,” Spring 2019
Rocky Hill High School guest speaker on hypothesis testing, Spring 2018
New Haven Academy Career Day presenter, Fall 2017

[updated 7/6/2023]
